

### **Daily COVID-19 Screener**

1. Using your computer, smart phone, or other electronic device with internet access, go to a web browser, such as Google Chrome or Safari, and navigate to [app.sycamoreschool.com](http://app.sycamoreschool.com).
2. Log in to Sycamore. The school ID is 1764. You should use the Sycamore ID that was emailed to you. You will have to change your password the first time you log in.
3. Once you are logged in, there will be a box with a link, on the upper right for COVID-19 screening. Click on this, and do the screening for your student(s). This needs to be done before you drop off your child each morning.
